I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

After trying a lot of things I
genuinely feel relieve for my debilitating
symptoms in working closely with
my Doctor and the pharmacy.
I am 100% opposed to restrict the
availability of this compounded medication
and need to urge you to not adopt
the ~~the~~ M.O.U.
